Phone · crane operator (no leased vehicle) Marco Salinas, Crane Operator. Crane 7014 is linked and clocks in/out with him; no odometer fields.

My Time
Recent records with status, demo-user toggle.

Step 1 · Clock in
Clock in on arrival at location. Linked equipment is read-only.

Step 3 · Submit
Hours on location (lunch unpaid). Travel added by dispatch. Per Diem request.

Phone · crane operator (continued)

Lunch & clock-out, confirmation, and the correction request that goes to Admin.

Step 2 · Lunch & clock out

Lunch affirmation; clock out before leaving location.

‹ Rig Move Time Sheet — Location on

Step 2 of 3 · Lunch & clock out — Demo fill

LUNCH

Lunch break notice. If you complete your workday without taking the required 30-minute lunch break at the request and with the approval of your field supervisor, notify your pusher or field safety so they can submit a Meal Break Exception Form on your behalf.

☑ **I affirm that I have taken a 30-minute lunch break**

CLOCK OUT

Clock out **before you leave location**. Crane 7014 clocks out with you.

Clock Out Time *

5:30 PM ● GPS — 27.7531, -98.0702 ±6 m · on location
